Hi Dick,

It would be great to set up an additional conversation with you after we meet with Simone and others. It looks like **4/11, 11-12:30** works for most people here. Would that work for you? And if you are willing, it would be great if you could do a short- 15 min or so – ppt on your DIC modeling. If you need more details, please give me a call.

Also, for the 3/31 meeting, would it be possible to send one of your staff who works on the modeling, to meet together with Simone, Jan, and Nina, since you can't join us that day? Just feel free to forward the invite if it is a possibility.

Simone, if 4/11 works for you, it would be great to have you and others attend as well, and I will include you on the invite that I send out once I receive confirmation from Dick.

Thanks so much.

All the best,  
Rochelle

Hi Rochelle: (b) (6) . I can participate in a meeting from 6-12 April and from 18-20 April.

Regards,

Dick

Hi Dr. Alin and Dr. Feely,

I am working with Mike Cox to organization an informal conversation on OA at EPA's Regional office in Seattle on March 31<sup>st</sup>, from 1:30-3PM. Can you let me know if that day and time works for you? If not, please send some dates that will work better. Once we have settled on a date I will send out an invite. If you have any questions, feel free to give me a call.

All the best,  
Rochelle
